

IBM CLOUD SERVICE

Team ID	PNT2022TMID31754
Project Name	Smart Farmer-IOT Enabled smart farming application

Dashboard

The screenshot displays the IBM Cloud Dashboard. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Dinesh S's Account). Below this, the main dashboard area is titled 'Dashboard' and features a 'For you' section with six recommended actions: 'Build' (tutorials), 'Use Speech to Text' (2 min), 'Create an OpenShift cluster' (20 min), 'Build a data lake' (1 hr), 'Use Streaming Analytics' (2 min), and 'Build a web app with Watson Speech to Text' (15 min). Each action includes a brief description and a 'Getting started' button. The bottom section contains four panels: 'News' (with links to WebSphere and IBM lifecycle services), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (showing a world map).
